# 16th ANNUAL SEQUOIA CENTURY

## TOUR ROUTES

All rides are **hilly** and, except for the 25-mile, strenuous. Be in shape for lengthy climbs, and be cautious while you enjoy the long descents. Riders biking to Skyline and the coast should carry warm clothing.

### 200 Km - Start: 6:00 to 7:30 AM

Explore the lovely Santa Cruz Mountains from both sides during this scenic tour. After a morning climb to Saratoga Gap, journey along the Skyline crest and drop to the coast to visit Bonnie Doon. After lunch continue through Big Basin and the redwoods. A final climb to Skyline, ending with a foothill route home. This hilly ride totals 10,000 feet of climbing.

### 100 Mi - Start: 6:00 to 7:30 AM

Follow the 200 km riders for a morning climb to Skyline and along the scenic ridge. Descend to La Honda for lunch in the redwoods. Then north along the coastline and back over the mountains on quiet roads. Continue through Woodside before returning via the foothills. 7,300 feet of climbing makes this a challenging century.

### 100 Km - Start 7:30 to 9:00 AM

Ramble around the Portola loop before taking an enjoyable morning climb to Skyline. Then down to La Honda for lunch at beautiful Memorial Park. Return through San Gregorio to Skylonda and finish on valley roads back to Gunn. Total elevation gain is 4,500 feet.

### 50 Km - Start 8:30 to 10:00 AM

After a foothill warm up, take an enjoyable morning climb to Skyline on a very quiet road. Enjoy the views north along the ridge before descending back to Woodside and lunch in a lovely Palo Alto park. Finally, a leisurely pace back to Gunn, bringing the total elevation gain to 2,400 feet.

### 25 Mi - Start 8:30 to 10:00 AM

A delightfully scenic but somewhat hilly ride through the rolling backroads of Portola Valley, Stanford, and Palo Alto. Visit the historic Woodside Store, and after lunch return through quiet residential streets to Gunn High School.

**ALL ROUTES CLOSE AT 6:30 PM**
